

Dear PS 98 Families,

The PTA would like to share this gentle reminder regarding our **FINAL PUSH** for **Membership Drive Contributions!!** The PTA is aiming for every family to contribute and support next year's ENRICHMENT PROGRAMMING that each of our children receive. The budget is \$40,000 and we have raised approximately \$14,000.

SPECIAL BONUS

All families who submit their membership contribution from now thru APRIL 1st will automatically be entered into a raffle drawing for ONE FREE TICKET to our PS 98 Gala!!!

Let's reach our Goal Together ☺

This **Membership Drive** requests **\$150 per student** as the amount required to fulfill the programming + general operating expenses. ***Please Note:** All donations are completely voluntary & **ANY AMOUNT** is welcomed...every little bit helps. For those families with more than one child in the school, we appreciate whatever is comfortable for your family in order to participate in a way that is financially sound.

There are **various payment plans** through www.schoolpay.com for any contribution amount you are able to provide. Checks can also be made payable to "PS 98 PTA".

With Warm Regards and Appreciation,
The PS 98 PTA Executive Board
